# **Pre-Season -Team Conflict Form**

\*A team conflict is defined as a specific day/time that a team will be unable to participate due to not having the minimum number of players required to participate. Missing one or two players does not constitute a conflict unless it places you below the required number to participate. If the coach is not able to be at the game this does not constitute a conflict.

*(Every attempt to accommodate will be made, however requests are not guaranteed.)\**

Once the season has started this form will no longer be accepted
